Christ Centered Art Festival is a broad based arts event which includes Christian focused Fine Arts, Performance Painting, Historical and Scholarly presentations. We look forward to your participation in this spiritually uplifting, juried event and thank you ahead of time for directing your art focus to the specified theme.

Theme: “Parables of Jesus” (Matthew, chapter 13)

Jesus used a particular genre of storytelling to convey spiritual truths about the “kingdom of heaven.” These stories are full of imagery, color, and shapes. The biblical writers called them *parables*.

The theme for our 2012 Christ Centered Art Festival is *PARABLES OF JESUS* from Matthew chapter 13. In this one chapter we find the parables of *the sower, the tares, the mustard seed, leaven, hidden treasures, the costly pearl, and the dragnet*. Artists are invited to read, study, and meditate upon this one chapter in Matthew and then create an original piece of art based upon this theme.
